

# Aylesbury & District Netball League – 2010/11 Season

## Umpiring Information

The main points to be aware of for this season are shown below but please take time to read the details within the ADNL League Rules

### Provision of Umpires

Each team, when applying to enter the league, must provide the details of at least one umpire who represents their team. Only those named will be allowed to umpire within the league. Additional umpires may be registered during the season, however this must be done prior to them taking control of a match.

### Registration

All umpires must be listed on the ADNL Umpire registration form, please use the electronic version wherever possible. A register of umpires will be published at each venue, additionally a list of umpires willing to be contacted by other teams will be made available. Please indicate if your umpire is available for other matches on the registration form (Contact Yes/No).

### Qualifications

Premier Division & Division 1

Umpires must hold the AENA 'C' award or higher and must be assessed within the first 2 months of each season.

### Divisions (other than Premier & Division 1)

Umpires must hold the EN Beginners Award/ ADNL League award or higher.

Should it be necessary, new teams entering the league will have until no later than January of the current playing season to ensure that their umpire meets the standard of, and obtains the EN Beginners/ADNL league award.

### Match Umpires

The names of match umpires have to be recorded on the sheets at each venue by the Rota Duty Teams. The umpire also has to print & sign the record sheet.
