2. 2010 AGM Minutes

- a. Approved and passed

3. Reports

- a. Chairman – It's been another good year for the league and thanks went to the committee for all their hard work. It's been disappointing the amount of teams losing points this season for errors. It's the teams responsibility to ensure everything is done properly, and if in doubt email the committee/ring Sheena. Congratulations went to all the teams that have been promoted and the two new teams were welcomed to the league.
- b. Secretary – nothing to report.
- c. Treasurer – The balance is healthy with just under £9k currently in the account. All outgoing invoices have been paid and there just a few teams with outstanding match fees to pay. Clubs can now pay by bank transfer is preferred.
- d. Affiliations – Just a reminder to ensure all forms are submitted on time and to make it clear when players are playing up and down.
- e. Fixtures – Thanks went to Lisa for stepping in. All venues have been reserved for next season. There's an issue we need to look at with the College needing us to use the venue for the whole year.
- f. Results and Publicity – Thank you for getting the results in on time all season. A rota duty check list is being drawn up to put in place for the new season.

4. Committee Elections
