*Even though she is injured and not playing, she still goes to the venue to offer mentoring support and to make sure that everything is OK for the teams.*

*She has been instrumental in the success of the umpiring sub-team this season, by supporting individual umpires with one to one sessions, as well as supporting groups of learners at numerous umpiring evenings.*

*She often travels between venues to make sure learner umpires are observed and is always happy to offer pointers tips and technical feedback.*

*She even covers door duty for assessments!!!*

*She’s the link between our youth & junior leagues, offering more umpiring opportunities to our learners.*

*Her positive attitude & honest approach has helped build ADNL Team White to what it is today, so a huge “thank you” for all you do “Ali Ladyman”.*
