

## North Bucks Academy Performance Report

### ANNUAL REPORT - JUNE 2017

**We are extremely proud of the Satellite and County Academies within North Bucks. We have two Satellite Academies and one County Academy.**

#### **1. Athletes**

- We ensure that we invite individuals at appropriate times to Satellite and county sessions. Some of our county athletes have also attended East and East Midlands Regional Sessions (be that training or match Days). This gives the athletes an opportunity to see the next level of the performance pathway.
- We ran a successful one day camp for younger athletes in October and these were later invited to attend a couple of satellite sessions.
- Special Congratulations to:
  - Precious Oyekanmi who is in the East Regional Academy
  - Jada Braithwaite-Scott, who is in the East Regional Performance Academy and the National Academy Programme
  - Olivia Conyard Part time place in the East Midlands Academy

#### **2. Festivals**

- We attended East Region Satellite and County Festivals & East Midlands County Festivals in May.

#### **3. Coaches**

- The performance group met throughout the year and discuss the programme and athletes and ensured there was continuity throughout all three academies.

#### **4. Presentation Evening**

- We held our first presentation evening for the Academies in May and it was great to see athletes and parents in attendance at this informal evening.
- Congratulations to all the winners:

#### The Performance Trademarks

- a. Relentless – Macy Cook
- b. Fearless – Lottie Tangen

- h. Satellite – Milton Keynes
  - i. Most Improved – Jossy Young
  - ii. Coaches Player – Enya Gaughan
- i. 100% attendance
  - i. Emily Mack

## 5. 2017/18

- England Netball have changed their Performance pathway programme and the Regional and Regional Performance Academies are now moving into the Superleague Franchises (see attached). The county structures will be reviewed early next year. We at North Bucks are committed to ensuring that the athletes have the best experience and preparation needed. We do not replace the club training and our focus is more the athlete rather than the team.
- We therefore will be having three Academies this forthcoming season: Under 17s, Under 15s & Under 13s
- Players can progress to any of the Superleague Franchises Under 19 and Under 17 teams – currently we have athletes at Surrey Storm, Hertfordshire Mavericks, Wasps and Loughborough Lightning age group squads.
- **Screening** in July 2017 and summer training in July and August
- **Training** will be September 2017 through to June 2018
  - Under 13 bi weekly on a Monday and 14 plus weekly on a Monday
