

TREASURER REPORT 2016 - 17

We have a healthy bank balance - including committed monies which shows an improvement on last year.

Every area is within agreed budget and we propose the same budget for next season.

Due to the increase imposed by England Netball for Registration for over 18 year olds, from September, North Bucks will not be increasing their fees at this time.

Attached is NBNA Financial Statement for 2016 - 17.
